## PRESIDENT'S MESSAGE

This article today is actually a reprint from an article I did two years ago. But the message is important and bears repeating.

One of the biggest challenges that we face as your board of directors is communicating with our residents. Communication is a two-way street. The board frequently needs to get relevant information out to our residents. But more importantly we often need your inputs to help in many of the decisions that the board is called upon to make.

We have several ways to communicate with our residents:

- 1) Wednesday coffee - this is normally a one-way communication with a time limit so not much info can be shared. And by definition is a weekly event. And will only reach those in attendance.
- 2) Open forums - dedicated to one or two subjects. Requires advance notice using one of the remaining methods. And will only reach those in attendance. I think this proved especially effective during our last open forum dealing with our decision regarding the Patriot Park Enhancement project.
- 3) Board meetings and workshops - much more structured and does not easily allow questions and answers. And will only reach those in attendance
- 4) Manor News TV in the social hall - no interaction at all with the residents, just a news feed. And reaches an even smaller audience because of the low attendance to the patio grill
- 5) Email blasts to all residents - Totally a one-way communication

with very limited space to include a full presentation of information or ideas. But does reach the widest audience of residents

6) Rumble Sheet - Reaches a wide audience but is limited by the monthly publication schedule. Deadline is the 10th of each month for the following month and requires advance planning for all articles. And again, this does not allow any interaction with our audience.

7) Comment form – this is a good way to get ideas/questions/comments to the general manager as well as the BOD. It serves to document a communication for future reference.

8) Private email – Occasionally the general manager or some of the directors will receive emails from our residents with specific questions or concerns.

And a final comment regarding anonymous feedback. This is the most difficult type of feedback to deal with. It's hard to verify facts, it's hard to answer questions because we don't know who to direct the answer to. And please remember, our primary goal is always to reach a decision that is best for all of Carriage Manor.

This is also a good time for each of us to review all of our governing documents, especially our Rules and Regulations as well as our Architectural guidelines. All new owners should have received a copy of these when you purchased your property. For us existing owners we should remember that our governing documents are subject to change periodically and it is to our benefit to always be aware of any changes.

*Bruce Groves*  
President of the Board

## CHIEF'S CHAT

Good Day everyone! Well I would like to begin by thanking everyone for their diligence in the stop signs, speed limits and traffic rules in general. Although we have been issuing violations this does include all contractors and UPS, FedEx trucks also. I was asked by a couple of residents in regards to the Fed Ex truck speeding within the resort. I took the speed gun out myself and observed the truck three times on Manor Way and clocked him doing between 9 to 10 MPH, also clocked him on Hudson and the highest rate of speed was 11 MPH

Also, we in the security department have noticed that the residents have greatly improved on the notification in advance of scheduled contractors arriving at the resort to make repairs, construction of new Arizona, and the other repairs needed by the residents. It absolutely makes things go much smoother in the security office. Be assured that all the security force is very thankful to the residents for the heads up notification in this area.

*Terry R. Friebohle*  
Chief of Security

## PHYSICAL PHACTS

I have had several comments and questions about the Fire Pit.

First, we encourage the use of the fire pit for fireside chats!! That is why it was installed!! YOU are RESPONSABLE for checking at [www.maricopa.gov/aq/](http://www.maricopa.gov/aq/) to see if it is a no burn day before

YOU have a fire.

Our main concerns are the constant piling up of "construction trash" at the fire pit. We are limited on space around there and would rather we keep the "to burn pile" small. We CANNOT have treated wood, particle board or plywood left up there to burn. We also CANNOT have lumber with nails and screws left in them. If you do bring up "construction" wood to be burned we ask that it is kept next to the fire pit in the rocks in a nice orderly stack. If it gets out of hand Physical Properties WILL dispose of the excess. You can purchase bags of fire wood from Fry's on Broadway and Ellsworth. We also ask that after you have had a fire

to please stop in the office the next day and fill out a work order to have the ashes cleaned up.

*Mark Howard*  
Physical Properties Manager

## CARRIAGE MANOR PHOTO

I know there are a lot of new owners in Carriage Manor. Let's get your picture taken for the CM family albums located in the lobby. Every owner should be in the albums. I will take your picture before or after the Wednesday coffee. It only takes 5 minutes. If not after coffee, let's set up a time. Please call Sandy Schuman for an appointment. 608 783-1313 169 Imperial

## ADMIN NEWS

Most of you know me through the Administration office, but now I'm very excited to be back at Carriage Manor Realty.

I wanted to take this opportunity to tell you about my Real Estate work experience. From 1990 – 2005 I did advertising & marketing specializing in Real Estate market. After working as an affiliate in the real estate industry for 15 years, I decided it was time to get my Real Estate license. So in April of 2005 I became a Realtor, joining Prudential Real Estate (now Berkshire Hathaway Real Estate). To learn the real estate business, I became very active in local Real Estate associations and served on the Board of Directors for the Southeast Valley Women's Council of Realtors for 3 years, during that time I was sent to Real Estate conventions in Washington DC, San Francisco and

Boise, Idaho for additional Real Estate training. And then came the recession.... da, da, da dun! Yes, as we all know if homes aren't selling Realtors can't pay their bills! This leads me to my coming to Carriage Manor, many of you will remember I was the seasonal Rental Coordinator here in 2014. I loved working here in Carriage Manor so much that when a full-time position opened in the HOA Administration office I took it. But it's now time for me to come back home to Real Estate! Again, I'm very excited to be back at Carriage Manor Realty and I look forward to working as your Realtor for years to come.

Remember, at Carriage Manor Realty ALL commissions go to support YOUR community! When you buy or sell through us you are helping to keep your association dues as low as possible.

This is a compassionate program that offers temporary assistance to residents of Carriage Manor. These are volunteers who are dedicated to providing a helping hand to those who are in need of help due to illness, death of a loved one or other significant problems.

Members of this committee are volunteers with a caring heart. They meet the first Thursday of the month at 9AM in the classroom. Now with our winter residents returning in great numbers this vital organization will be even busier and in need of volunteers. Please join us at our monthly meeting.

Come and join us for a fun evening of supper and dance to the easy listening music of Wes Reed. Any funds raised by the Golf Club is accumulated for the replacement and refurbishing of the Putting Green and surrounding area which is the main focal point of our beautiful Resort. A much larger area of lawn has now been replaced with artificial turf around the Clubhouse and the Golf Club is now covering the cost of the contracted annual maintenance on this additional turf area. To help defer some of this cost we have decided to add a dance to our Annual Banquet for the very reasonable cost of \$15. So we hope you will come and join us.

## NOMINATION AND ELECTION COMMITTEE

We would like to thank everyone who voted in our annual election in February. Our owners are privileged to be able to participate in managing our resort with our votes.

## CARRIAGE MANOR LIBRARY/ MAGAZINES & NEWSPAPERS

We have had a great response to the many readers of newspapers & magazines in the library this year. The library volunteers are happy to meet this demand & thank you to those people who respect the rights of others.

Bingo funds have been donated so that we can purchase The Arizona Republic, The Wall Street Journal, & various magazines for all the residents of Carriage Manor to read in the library. We are having some trouble with certain people walking off with a section, or even more of the paper or the whole magazine. This is very disappointing to the people who come into the library to read and find out that a section they may want to read is missing. It would be much appreciated by your fellow residents if you would purchase your own paper or magazine if you really want to keep a certain section for your own use.

Thank you again to all of the readers who come into the library, read the paper, and leave the whole paper intact for others.

A special THANK YOU to all of our volunteers who made the Pickleball fundraising events this year an overwhelming success. We have received many accolades from people on how well organized and fun our events have been. All this

praise is directed to you as you are the ones who: planned the events, sold the tickets, prepared and served the food, set up and took down tables, decorated, gathered the garbage and swept the floors.

You are amazing and as an Executive Board we want to thank you for all of your time and effort in making our club a success. Our membership continues to grow and we are pleased with the direction our club is headed. We look forward to next year: the possibility of more courts, the continuation to grow as we provide more and more opportunities for you to play Pickleball: inter park play, ladder, round robins, tournaments, ladies play, men's play, lessons, volley pickleball, and regular social morning play.

Have a great summer and be ready for another super year in 2020-21.

Your Executive Board

## BILLIARDS

We hope you enjoyed our delicious Spaghetti Dinner and were entertained by John Timpanelli! Maybe you dropped by to watch the Can\_Am tournament, a friendly international competition we hold each season. Billiards is an active club here at Carriage Manor. We offer free lessons at all levels to our members and have a free drawing for a new billiard cue at each of our meetings. Currently we are in the process of adding a new electronic scoreboard system to our room which will not only help us keep more accurate scores at league and tournament play but will be used to augment our free billiard lessons. YOU are invited to join us and attend our next club meeting, Friday, March 6 at 1:00pm.
