MANAGER'S MESSAGE

Because there are so many new friendly faces in the resort, I ask that everyone wear your name badge when you are out and about in the community, so we can address each resident properly by name. We especially want our newcomers to feel comfortable in their new setting.

- I have included a few reminders below, some to reference compliance, some courtesy and a couple I just thought were cute.
If you haven't yet checked in at the Office, please do so we can greet you and share important information with you.
- If making a change to the outside of the unit? STOP. Did you get a permit? Please come to the Office and we will be happy to help.
- PLEASE WATCH YOUR SPEED!!! Be mindful of all stop signs!! No matter what type of transportation you use. --STOP does not mean "Spin Tires On Pavement" lol
- Be respectful of and look out for your neighbors.
- Volunteer often
- Laugh out loud and laugh often!

- Express your concerns appropriately, you can disagree without being disagreeable!
- Have FUN!!!! Be safe!!!
- Use lights on your bike while riding after dark.
- Stay positive.
- PLEASE FOLLOW CC&RS, RULES AND REGS.
- Please report any unusual happenings to Security @ Please call: 480-986- 2467
- Please do not schedule any contractors to work on Sundays or Holidays, unless it is an emergency. Dish/Direct TV installation needs are NOT an emergency. --All contractors coming to perform work on the exterior of your home MUST HAVE A PERMIT!!
- Laugh often (it's worth repeating) --Work together! If you have any questions, comments, concerns, compliments or jokes you'd like to share with me, please feel free to contact me to schedule a time to meet.

PHYSICAL PHACTS

I was raised in a thrift minded family. Many of those traits still flow in my blood today. 'One man's trash is another man's treasure' is a mindset that I still do not shy away from. I remember a time long ago when I would dump my own un-needed items in the City Landfill. Taking advantage of that situation I would send my kids down into the pit to 'dumpster dive'. Thinking all along I was getting ahead. This may or may not have been the reality but for a time I felt I was getting ahead.

In later years I would enjoy 'junking' with my Wife and her Step Grandmother. She elevated the excitement when it came to finding a true treasure. We never found anything that would be worthy of the Antique Road Show but treasures none the less.

Full circle of this concept would be when the day came that I was 'junking' that I came across a rare gem that my

Wife would enjoy. I haggled down the price, as that is part of the fun. As I turned the item over there I found my wife's initials. Wow, this trinket had served its purpose and came full circle? Apparently I had gotten rid of this item some time back and it had, guessing only, bounced around the 'I am getting ahead' circuit, and now it lay in my hand once again.

I have since given up the 'junking' concept and have turned the treasures over to let others find them. Great story none the less, added to the small volumes I have collected.

**For those on the Weed program: We averaged 1.5oz of chemical per lot last month. We are currently using a 50/50 mix of Cheetah Pro and Pendulum. SDS information can easily be found on the internet or we can easily provide if requested.

ADMIN NEWS

Happy Valentine's Day!

You guys are keeping me on my toes!!!

It has come to my attention, that some of our new and current residents, know nothing about registering their golf carts, and cars/trucks/motorcycles. The form should have been in the New Owners Packet. I apologize, if it wasn't. But, **NOW**, we have a project! If you purchased/replaced a new car/truck/motorcycle, or golf cart, please remember to come to the office and register it with us. This also applies to Handicap stickers for your golf carts. We need a copy/picture of the Handicap Placard for our records.

AND ON A POSITIVE NOTE!!.....

I want to Thank All of You, for bringing in your Third-Party Agreements ahead of time, AND getting the Weed Abatement forms back to me so quickly!

With having the Third-Party Agreements in early, it made it a quick transition when the Renters came in.

I appreciate your help. And so do my Volunteers! I know I keep bugging you, but you are the best! You respond to my requests in a timely manner. I couldn't ask for more!

We make a **GREAT TEAM!** Let's keep it up!

PRESIDENT'S REPORT

It's February and time for our election process to come to an end. Three new directors will be elected plus voting on a number of referendums. My term is up and I will not be running again. So this will be my last report. I've been on the board for 4 years, which includes one year as Vice President and one year as President. There have been some great times and some tough times on the Board. The Board of Directors have made some very tough de-

isions and through it all we managed to stay friends. I've enjoyed working with the CM staff and especially Mary Candelaria, General Manager. Mary is very good at her job and does great assisting the Board. You will still see me around the resort. I'll still be on the Sound committee and the IT committee.

Hello and happy February to all

This month I wanted to recap the final numbers for 2021. Shauna and I are proud to announce that 2021 was record breaking for Carriage Manor Realty. We both listed and sold more properties in Carriage Manor Resort than anyone!

The past year was record breaking for both the increase in your property values but also just the sheer number of homes sold. Carriage Manor Realty was the Seller Agent for 48 properties with a final sales volume of \$6,208,500. In addition, we were the Buyer Agent for 51 homes, with a final sold volume of \$6,573,400. This brought in over \$250,000 into Carriage Manor!

The outlook for 2022 is good. The biggest issue currently is I need more homes to sell, there are so few homes on the market right now that finding the right one for a buyer can be a challenge. If you are you considering selling, please contact me for a no obligation home valuation.

REAL ESTATE ROUNDUP

Please help me, help you by reminding your friends and neighbors that Carriage Manor Realty is YOUR Real Estate Agency, and all proceeds belong to your community.

I hope you all have a wonderful and production season.

Have a wonderful winter!

CHIEF'S CHAT

Hello everyone! Well, it's that time of the of the season where a lot of things are starting to happen in the valley of the sun. The Waste Management golf tournament is on now, spring training for the Cubs, the great Barrett Jackson car show and auction just got over on the 30th of January, 2022.

We in the security department have identified folks just slowing for the stop signs through-out the resort. We all know that in Arizona we must come to a complete stop. California has the slow down and go stop signs. We will be watching closer to that problem in the confines of the resort as well as for the speed limits in the resort. We all are aware that the speed limit is **10 miles per hour**. We have started placing the speed unit on various streets and have also implemented the use of the speed gun.

Also..... the bicycle traffic is getting very bad. I observe on a daily basis people going straight

through stop signs with absolutely no observations of the traffic adjacent to them. I was told by a resident that someone on Manor Way was struck by a golf cart, so I viewed the camera, if that would have been a vehicle the bicyclist would have been seriously injured.

So, in closing I'm very concerned regarding the bicyclist's obeying the traffic rules of the road. PLEASE obey the traffic rules and watch out for each other daily.

In closing, one of the residents passed along information of a tracking device which can be purchased from Amazon for either a bicycle, laptop, camera and or just about anything you want to adhere the device too. They are called a "Tile" which can be used with an Android or an Apple cell phone.
