MANAGER'S MESSAGE

An Attitude of Gratitude! This month we celebrate Carriage Manor with our annual CM Days, Friday night dinner and show, Saturday parade, craft fair, hot dogs and many other activities. We also honor our volunteers this month, with the annual Volunteer Appreciation luncheon.

I've said it before and I will say it again, it takes a village, staff could not operate the resort without our volunteers. They keep your assessments down by providing their services to the community. I appreciate them and I invite you to share your appreciation with them as well.

I'm going to attempt to list many of the roles Carriage Manor Volunteers fill.

Board of Director's Committees	Community governance and leadership
Architectural Review:	Compliance with Design Guidelines
Budget & Finance	Oversite of annual budgets and audits
Long Range Planning	Oversite of Common Area Development
Nomination & Election:	Oversite of Annual Meeting per GDR
Governing Document:	Oversite of GDR's compliance AZ Statutes
Ambassadors	Welcome and New Residents
Activity	Select and work entertainment functions
IT	Oversite of resort Information Technology
Sound	Provide sound services in BR and SH

And then there's the volunteers who work in the Administrative and Activity Offices, Monday thru Friday, the librarians, the Tuesday Talk ladies who serve the donuts and do the 50/50 drawing, the kind men who assist in taking down the table and chairs afterwards. Let's not forget about Bingo! I could go on and on, and apologize in advance if I missed anyone.

Please join me in thanking them for their efforts in keeping Carriage Manor a desired community.

Above is a brief illustration of current rates for a 2000 park model or manufactured home located in a +55 Senior Park. Rates may vary due to age of customer, age or location of home. Annual premiums for newer homes may be lower and homes older than 2000 can still be insured at a slightly higher rate.

PHYSICAL PHACTS

A resident politely asked me the other day how to maintain batteries in AZ. Heat is your worst enemy when it comes to batteries, and we have a plethora of

heat. My general opinion on batteries is approx. 2 yrs. Any time after that is just 'money in the bank' and a reason to cheer. Yes, they can most certainly last longer and sadly, at times, shorter, but in the end, with all the variables to consider, batteries just wear out.

Preventative maintenance is best practice when it comes to Golf Cart Batteries. Monthly the Carriage Manor Maintenance Team PM's their Golf Cart batteries. This requires multiple steps. Here are the steps I like to take: (1) Clean/scrub terminals using baking soda and steel wire brush. (2) Check wires for tightness and damage. (3) Clean tops of batteries with a rag. A small amount of water can be used to get gunk off. More is not better in this case. (4) Open tops of batteries and check fluid level. When batteries are charged they bubble and release gas, water level does need to be

checked. I generally try to keep water about half inch above cells. (5) Wipe and inspect battery caps for damage and dirt. (6) Lastly, I like to blow battery compartment with a blower or compressed air. **Note, wear proper PPE when working on batteries. You are working around acid**

There are 100 different ways to PM batteries and probably their processes are all correct in some ways. The important thing to remember is to do it regularly. Any PM procedure is better than no PM procedure. You will learn, as you do it, what to look for and where TLC is needed so that you can get the most out of your batteries.

**For those on the Weed Program for January 2022 we averaged 18-20oz of chemical per Lot sprayed. Cheetah Pro and Hydro Cap were the chemicals used and SDS information is easily available on internet. If you have questions just ask. **

ADMIN NEWS

“Houston, We Have a Problem!”

Lately, I’ve been getting Third-Party Agreements not filled in completely, or Owners coming in with Renters the same day of their arrival. In order for me to enter them into the computer, I need **ALL** the information, **NOT** just their names! This slows the process, and renters have to fill the form out, wait for us to get their packet & badge(s) ready. And could be delayed at the front gate. I understand that there are last minute renters, but unfortunately, it’s happening more often. Please get them to me as soon as possible. We did such a great job in December and January. Let’s add the rest of the year to the list!

My Volunteers and I would greatly appreciate it.

And on a **GOOD** note! We are updating the **Pet Regis-**

tration book. **You guys have been amazing!** I’m getting e-mails, and records brought up to us almost immediately! This also included cats. Even though most are inside cats, they get curious, and sometimes wander off.

We’ve also had a great response to the **WEED ABATEMENT PROGRAM**. If you haven’t signed up yet, please stop by the front desk and fill out the form. Cost is \$100.00 for the year. **(Jan-Dec. Not Pro-Rated).**

Again, my Volunteers and I **“Thank you”** for all of your help, patience and understanding, in getting everything in order!

Have a Happy St. Patricks’ Day!!! Stay safe.

We have a CM family photo album on the table in the lobby. I know there are a lot of new owners that I’m encouraging to get ‘r done. It only takes a few minutes of your time. I will plan to bring my camera to Tuesday Talk. Please **HELP** me out, so I don’t have to keep looking for owners. Let’s set up an appointment if you don’t attend Tuesday Talk.

REAL ESTATE ROUNDUP

Keeping it short and sweet this month - WE'VE BEEN BUSY! Prior to COVID, things were still busy and we would have a few appointments each day but lots of walk-ins. Currently, the appointment slots fill up VERY FAST - it's exciting!

One thing we'd like to remind you of this month:

Club Donations – Carriage Manor Realty makes donations when buyers and sellers are referred to us by clubs. Club Members, if you are looking to list or have friends looking to buy, come to us!

While the number of properties on the market is still less than previous years, we're anticipating several new listings at the end of the month and early March. If you have friends considering buying in Carriage Manor, have them give us a call! We work with buyers who are looking for a quick buy,

as well as those who are looking for something a year from now. We are your on-site neighborhood specialists!

CHIEF'S CHAT

Hello to everyone!

I hate to keep bringing back to the platform the topic of **Stop Sign compliance**. I am very concerned that if we don't all start coming to a complete stop at all stop signs in the resort, that there is going to be a mishap. Last week I identified three different near miss accidents at the main entrance to the Resort. A vehicle did a rolling stop at the main entrance and nearly missed a pedestrian walking across the street of the security office.

Also, the speeding in the resort is escalating by the day and we have got to slow down. I just don't understand what the hurry is. I have residents calling and or stopping myself several times during

the day with traffic concerns. The bottom line is folks, we have to ***SLOW DOWN!!***

In closing, the security department here at Carriage Manor Resort is not in any means trying to have the persona of a compliant only atmosphere. Our main mission is the complete safety and security of all the residents of Carriage Manor.

Thank-you all for your attention to this matter. I know, as always, the residents will comply with the request of the security departments concerns. Again, thanks in advance.

Chief of Security

TRASH TALK

Have you been to the “Boutique” lately? If you haven’t, or don’t know what or where it is, you have been missing out on the CM free yard sale going on every day. Our “Boutique” is the platform and space adjacent to the end of the 40-yd roll-off trash dumpster located across from the fitness center. The old saying “One man’s trash is another man’s treasure” is no longer sexist, as many women now compete equally for the treasures to be found there. While a visit here adds a bit of excitement to many people’s day and provides a no-cost way to reuse and repurpose a variety of items, the attending clutter often gets out of hand. Shopping the Boutique also benefits the community by reducing (if only slightly) our trash outflow.

Frequently adding to the clutter near, or in, the dumpster is the dropping off of large appliances, water heaters, and especially furniture, including recliners, couches, mattresses, tables, cabinets, and more. More than half of the large items end up in the dumpster, whether placed there by a resident, or by Maintenance. Maintenance clears the Boutique into the dumpster on Monday, Wednesday and Friday each week or when needed. Emptying the dumpster is not cheap! Each 40 -yd load costs approximately \$400, cost varying depending on weight plus fuel and other surcharges. This happens three, and sometimes, four times per week in the winter season. To put that in perspective, our cost to dispose of a recliner, mattress, box spring or a dryer or similar size item is about \$10. A couch is about \$20. Virtually all of us with a summer home know that the cost and logistics of disposing of these items back there is our individual responsibility. It should be here too, but we also know that doing so here in Mesa can be more difficult.

So, here’s the deal: we will help you if you will help us.

YOU Please **do not place any large furniture or appliances in the dumpster**. Place all A/C units, appliances and water heaters (and other large metal items) on the pavement along the railing near the shed. Furniture items are more difficult to manage, as items that are worn, torn, stained, broken or full of pet hair are not acceptable to charitable organizations with resale shops. Typically, mattresses must be stain-free and less than 2-years old to be acceptable for donation. Nonetheless, **please attempt to donate large items whenever possible**. Please check the bulletin boards by the Patio and inside the clubhouse for a list of organizations to contact. If it’s going to be hauled in a vehicle anyway, try to drop it off to them.

CM As needed, Maintenance will call a scrap dealer for pickup of the metal items at no cost to us. For now, furniture items left in the Boutique area will be placed in the dumpster by Maintenance at their discretion. This is to make best use of space in the dumpster and prevent overloading. Thank you for caring!

This message has been brought to you courtesy of your Long Range Planning Committee.
