# **MANAGER'S MESSAGE**

In April we find the season winding down and many of you heading to your other home for the summer months. As I often say, "It takes a village" The clubs, Activity Committee, Bingo and Staff working together made for a very successful season and I hope you enjoyed it.

Please make sure you have secured a *local* caretaker for your property while you are away. A list of providers is available in the Administrative Office. It is super important to do so!!

Please tend to your lots before your departure by weeding, cleaning and trimming, where needed. The 2023 Carriage Manor Weed Program is still only \$100.00 annually, with enrollment forms available at the Administrative Office or website.

We will be busy as ever this summer working on improvement projects around our resort. I hope you will be pleased with the results upon your return next season.

# PHYSICAL PHACTS

Can you recall how important every question was when you were a kid? Anxiously waiting for an answer seemed like an eternity. My Fathers most common answer, to any question, was......" Depends on the price of eggs in China". As a kid I had no idea what that answer even meant, let alone where China was. For all those years I just thought you could never get a straight answer out of him. Now that the price of eggs is fluctuating well over the acceptable tolerances, I see the wisdom in my father's answer. Our existence does seem to depend on the price of eggs.

I, like so many, get frustrated with the unsteadiness of the consumer's market. Weeks ago, I was shopping on Amazon, and found an item connected to the price I was willing to pay. I put that item in the shopping cart to hold until my next payday. A few days later, when I went to purchase, the price had gone up significantly. This is just one small example, but it makes the point of how hard it is to live or plan on any kind of budget. It is like somebody just threw the rules out the window and they are just making this up as they go. Throwing a dart at the wall to make pricing decisions. These ripples reach out to the Maintenance Dept quickly and we experience similar frustrations. It seems that the regular products we purchase for the Resort climb faster than we can figure out how much we need to spend. New regulations and changes make it harder to find parts and we are always having to wait for the next 'slow boat' to bring it to us. This growing, unsteady market creates difficulties and frustrations not only in my personal life but even here at Carriage Manor. When will the madness end? Everything has gone to guess work.

So, in my Dad's great wisdom driven answers, perhaps everything does have to do with the 'Price of eggs'. Be mindful of the egg, or what I like to call, white gold.

\*\*Weed Program monthly amounts are 4-6 oz. per lot.

Cheetah Pro and Up End Pre-emergent are what is used. All SDS can be found on internet\*\*

#### **IDENTITY THEFT**

#### **Types of Identity Theft**

• Online/Phone Identity Theft: Any online or telephone identity theft illegally acquiring personal information such as date of birth, social security number, credit card details, etc. They use this information for extortion, stealing credit card information, and applying for loans.

#### What to watch for:

- Phishing: Phishing is the most common technique. This involves receiving an email, text message or phone call advising you that your account has been compromised or something went wrong with your order. You will then be asked to validate your account information. Should you receive this, delete it and DO NOT RESPOND!
- Verify Virus Alerts: Fake virus alerts is another common practice to try and gain access to your personal information. Whatever you do, DO NOT RESPOND! Instead, contact an IT professional.
- Phone Scams: Increasingly, phone calls to gather security information are becoming more common. A major red flag is a caller asking for your personal or secure information. DO NOT give anyone you do not recognize your personal and/or secure information.
- Financial Identity Theft: This involves the use of personal information to take over your financial accounts.

#### What to watch for and how to protect yourself:

- If you notice suspicious activity on your credit card or bank statement contact all financial institutions where you hold accounts. This prevents identity thieves from opening new accounts in your name.
- Protecting your social security number is one of the most important steps to protect your financial accounts.
- A social security number can be used to access your tax records. This can enable a person to file income tax using your social security number.
- Medical Identity Theft: Thieves can use you health insurance information to get prescription drugs, see a doctor or file claims.

#### What to watch for:

- If something on your insurance claim looks unfamiliar to you contact your insurance company. You can then cross-reference your information with theirs.
- Alert your medical providers immediately if it appears someone has used your information.

Unfortunately, identity theft is an all-too-common occurrence and happens to millions of unsuspecting citizens every day. If you become a victim, contact your local police agency immediately! A growing number of law enforcement agencies have special units that are dedicated to these types of crimes. Not only can they investigate the crime, but they will help guide you with the immediate steps you need to take if you become a victim.

Happy Easter Everyone,

Since the busy season is winding down and many of you are starting to head home. I thought you'd be interested in seeing the 2023 Community Real Estate statistics.

The past quarter has been very busy. Nineteen properties have Sold in Carriage Manor since January 1 with a total volume of \$3,375,500. There are currently an additional nine properties under contract, most of will be completed within the next month.

We all are hearing on the news that home prices are falling. The reality is, not here in this type of 55+ community! Carriage Manor is not driven by interest rates, as most home are still purchased with cash. I have seen a reduction in financed purchases year over year, but cash purchases are up.

Homes here in Carriage Manor are still selling well with the newer, move in ready homes selling the fastest. Home values year over year are holding very stable with the highest end homes even going up slightly.

Carriage Manor Realty is currently doing over 71% of all Real Estate transactions in the Resort and that number keeps rising. As of today we have closed \$2,411,600 in sales since January 1 with an additional \$1,128,900 scheduled to close in April. These are all dollars staying within your community!

Thank you all for a busy and fun winter season!

## LAPIDARY/SILVERSMITH

SPRING HAS "SPRUNG"

AND TIME TO CLOSE UP OUR SHOP

BUT WE WILL SEE YOU NEXT FALL!

THANK YOU FOR YOUR SUPPORT.

It was a very good season for the Carriage Manor Horseshoe Club. We play in the Apache Trail Horseshoe League along with teams from 15 other parks. Our team won 1st place in Singles and also 1st place in Doubles.

Along with that, Don Carter placed 2nd in his division in the end of year tournament while John Libler and Glenn Leibel placed 1st in their division in doubles.

The horseshoe pits are available daily for all residents use except November through February on Tuesday mornings from 8:00 until 12:00 when they are used for league play.

Everything you need to pitch a game or two can be found in the storage shed for anyone wanting to learn the game or hone existing skills. The shed is always open.

If you would like to learn the game or need help please call Ron Smith at (913) 683-3217.

The Club is always happy for new members so come and join the fun.

#### **BOCCE CLUB**

The Bocce Club will still be playing bocce in April. We know that many are leaving the end of March but there is still plenty of good weather and time to have fun.

Play will be Mondays and Thursdays at 9:00am and 1:00 pm. The courts are located west of the Clubhouse by the Shuffleboard courts.

We will continue to have Happy Hour on Thursdays at 3:00pm on the Tennis deck. (if weather is inclement, we will let you know of the new location)

For more information please contact Bocce Club President, Dan Blanch 218-850-0247 <a href="mailto:blanchcamp@gmail.com">blanchcamp@gmail.com</a> Lot #298

To all of our volunteers that made the Pickleball fundraising events this year an overwhelming success, we thank you! The flow of comments from people who attended our events has been very positive and rewarding. We take pride in providing entertaining affairs that are well organized, unique and fun for all attendees. We accomplish this by working together as a club and your individual efforts are very much appreciated.

We continue to grow as a club and now have the largest membership in the park at just over 200. We have expanded our programs to meet the needs of all including lessons, Jumpstart, ladies and men's play, round robins, tournaments, volley pickleball and social events. A special thank you to those that step up and volunteer countless hours to make these happen.

We are proud of our club and look forward to another exciting year.

And last but certainly not least, the Pickleball Club would like to **THANK YOU THE COMMUNITY OF CARRIAGE MANOR** for supporting Patriots Park development and the "Buy a Brick" program. This is a great resort with everyone supporting an excellent cause.
