PHYSICAL PHACTS

Family trips, church, errands or just driving around, it was a common practice when you got in the family wagon to be asked, 'Got your tickets?' As a boy I had no idea what my parents were asking me. I came to understand that the question was connected to a broader inquiry of 'Are you truly ready to go?' How often do we just drive off and leave the stove on or hose running, lose keys or worse? If we took time to face the mirror, I am sure we ALL have forgotten things that caused a riff in the details of our lives. I too have carried this tradition on with my own kids and even the Maintenance Team 'Got your tickets?'. Details matter..... always.

In Arizona, we either contend with Heat, Dust, or Rain if lucky. The summer of 2023 was excessively hot. The plants in the Resort struggled and much effort was spent to keep things alive. This becomes more of a challenge when many of the homes are empty in the off season. Typical practice as Resort Tree Water is on, is to drive the Resort and tinker/repair the tree water system. Maintenance was able to identify a few trees that died but were not on our system but at the front of the home. A typical problem we see is owners' personal irrigation timer's malfunction with too much or too little. As we report these to the Front Office, many times we find there is no caretaker which complicated things even more. So as a friendly reminder and official inquiry..... when you leave for the season remember to 'get your tickets' and have someone watch over your home while away.

****Weed program monthly amounts are 5 oz per Lot. Cheetah Pro and Up End Pre-emergent are what is used. All SDS can be found on the internet. ****

CHIEF CHAT

Happy Fall/Autumn and Welcome Back!

For those of you who were fortunate enough to leave for the summer welcome back. I have lived in “Valley of the Sun” for decades, and I don’t know if it is because I am older, or it was just exceptionally hot this year, but WOW, it’s time for a break!

Security is happy to report that we had a safe summer with no reported thefts or burglaries. We did have two breaches where trespassers jumped the wall. One was observed by security and the police were called. The suspect jumped back over the wall as the police arrived and a pursuit was initiated outside the resort. The other trespasser was caught on a resident’s camera where there was no security footage. Neither incident resulted in damage or theft from the resort.

This is probably a good time to advocate for personal video surveillance cameras. Even one camera strategically placed in your carport can make a difference. There are so many areas within the resort which makes it impossible for security’s surveillance system to cover it all. Each one of our cameras requires power and Wi-Fi that also makes it difficult to place them everywhere.

Security Reminders:

Speed Limit is 10 MPH

Stop at all Stop Signs

Please stop at the Crosswalk(s) – Pedestrians still have the right-of-way.

Pay attention to Motorcycles and Bicycles

Remember, the Security Department is open 24/7. Do not hesitate to call: 480-986-2467 (program the security number into your cell phone)

“SEE SOMETHING, SAY SOMETHING!”

Thank you,

Jim Hopper
Security Chief

THE ROSARY

We would like to invite you to pray the rosary with us on Thursday mornings starting November 3rd, 2022 at 8:30 A.M. in the Card Room.

We pray for any and all special intentions you may have. Please come and join us every Thursday throughout the year. Call Fran Lingor at 605-228-4325 if you have any questions.

REAL ESTATE ROUNDUP

Hello everyone and Happy October,

We are so excited that October is finally here with the cooler weather and many of our winter owners coming back.

Did you know that Jon Larson, formerly our Activity Director, has joined the Carriage Manor Realty team? Jon is the new Sales Director and will be primarily responsible for working with buyers. He will also be working with me on Carriage Manor property listings. Please join me in welcoming him!

Are you thinking of purchasing a new home? Did you know we offer remote viewing and showing options? Carriage Manor Realty has been using virtual tour and remote showing tools for years, so we are able to help you look at and purchase homes long distance.

Are you considering selling your home? Listing inventory is very, very low. So low in fact that we've been losing buyers to other communities because we don't have what they are looking for. We are heading into the prime selling season, which means even more buyers! Homes are already selling quickly. Higher end, newer and move-in ready homes have been particularly in short supply and are typically under contract within a few days. If you are considering selling now or in the future, please contact us. This is still an awesome time to sell!!!! We are happy to give you a comparative market analysis for your home, a quick estimate, or discuss with you the best way to prepare your home to sell for top dollar!

As of this writing the 8 following properties are all that are actively available in the community, 1 vacant lot and 7 homes. Call to see if any of these homes are still available or if new ones have come on the market.

Please contact us if we can help you buy a new home or sell your current home.

ADMIN NEWS

Hello Carriage Manor!!

Can't believe it's the start of a new season! Time is sure flying!

Speaking of "flying", I have to get my stealth broom out for the end of this month!!!!

Just found out something very interesting from our Mail Carrier. Did you know that the STOP DELIVERY forms you use to stop your mail here at Carriage Manor, is only good for 30 days????? I didn't know it either!! Soooooooo..... Please remember to fill out the change of address form so you receive your mail at home. He informed me, that there is no place to put the mail, either here or at the post office itself. You can go online and fill out the form or stop by the Post Office and fill it out.

Also..... This is very important. Please put your lot number on your checks. This saves time and less chance for me making a mistake and applying it to the wrong account. This applies to all checks that you send in, or have your bank send.

Now I have to put on my Witches Hat!..... THIRD-PARTY AGREEMENTS! (my favorite!!)

Please, please, please, have them filled out completely, signed, dated AND RETURNED AT LEAST 7 DAYS PRIOR TO THE RENTER COMING IN, along with the fee. I can't stress this enough. They have to be checked, approved, entered into the system, folders and name tags prepared. This takes time. On a good day, (no interruptions of any kind) it takes at least 45 minutes to complete. We want our renters to enjoy everything that Carriage Manor has to offer. Not stand here waiting for forms to be filled out. Their part only takes around 15 minutes to complete. We do not want to add any more time if we can help it. Remember, we have new forms. They can be found online or stop by the Admin Office and pick one up. Old forms will not be accepted.

I greatly appreciate your understanding, and cooperation, in helping Carriage Manor run smoothly.

I'm looking forward to seeing everyone again, and for all of the new and exciting changes coming to Carriage Manor this year!

Happy Halloween!

(Fly safely!!)

Linda C. Spadafino
Office Administrator

ACTIVITIES ADDITON

Hello to all!!!!

I am so excited to introduce myself. I am Jamie Knowlton your NEW Activities Director! A little bit about me. I am a born and raised second generation Arizona native. I have deep Scandinavia and Latin roots. I enjoy spending my time with my husband and our families.

Working in communities like this has always been in my blood. My mother, Cindy Knowlton, was a Recreation Director for many years at Valle Del Oro and Sun City West. I was in wonder of all the fun she made and the memories she helped create for her residents. So I followed in her footsteps. I graduated from Arizona State University with a Bachelors in Recreation Management. From there I worked for American Cruise Line, interned at Disneyland, and finally landed at a community, Leisure World. Working there for 7 years has taught me so much and helped me grow.

This year I wish to run the Activities as already planned with a couple of new additions. Maybe an outdoor movie night, or a fun carnival. Know that I am here for you and want to hear your ideas. I may not be able to make everything happen but I will listen and try me hardest.

I can't wait to meet you all and all the fun we're going to have!

Jamie Knowlton
Activities Director

Hello fellow Residents of Carriage Manor:

For our new residents let me introduce myself, my name is Abdiel Almodovar, I'm the bingo manager here in Carriage Manor.

I hope everyone has had a wonderful summer. As for me and my wife, Lillian, we've been traveling fools. We have been away from home for a total of seven weeks this summer. We are looking forward to getting back to Arizona and all of our dear friends.

I plan to have this year's first bingo night on Monday, November 6th, in the ballroom at 6:30 PM. So mark your calendars and come on out for your chance to win some money. We pay out at least \$1600 every week, and we also have a \$1000 progressive jackpot.

Now you've heard the old saying "it takes a village to raise a child", well "it takes a community to run a bingo night", and we are always looking for volunteers to help out, so if you are available on Mondays please reach out to me at the number or email below. And remember:

The Grub Club

Bits & Bites

Another summer is about to pass, and we are still here serving everyone a good meal. We had our first shut down this year since we opened in February of 2022 due to the repaving in the park and our concern for safety. And again, during the kitchen remodel. Our goal is to be up and running and ready to cook outdoors by the first of November.

The Grub Club has proposed the construction of a covered BBQ shack just outside the covered patio area. Construction would start June 2024; the planning stages have begun. It must show the LRP committee it is a worthwhile endeavor, and pass a vote of the residents. By the time we begin construction we will be fully funded. More info will be presented in our Rumble sheet reports and Tuesday Talk as we move forward.

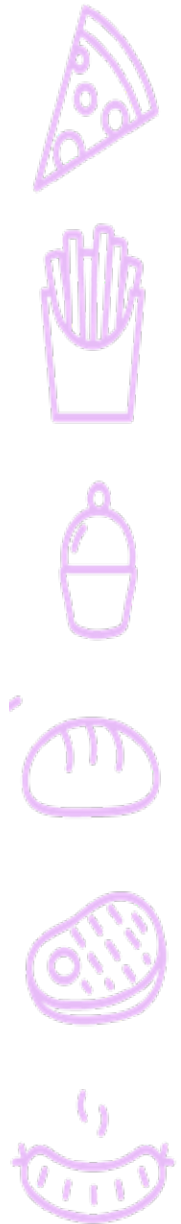

We want to thank everyone for all the support given to us to help us grow and do good things in the park. This 4th of July along with the activities dept., we celebrated with a free hot dog feed, served 120 dogs. Labor Day weekend, along with the welcome committee, we had an Ice Cream Social with free Sundays, Banana Splits, and Root Beer floats, served 90. Then September 18th, Carriage Manor sponsored Carriage Manor Days with Pulled pork sandwiches, coleslaw, chips, and lemonade. It's all about doing good things for the people around you and volunteering your time to make a difference.

When you all return this year, the Welcome committee and the Grub Club ask to please find your name badges. And as we all age, it gets hard to remember to wear our name badges and the names of everyone behind them. During the free food events we saw a lot of people that don't live here, some were guests, but without that name badge, we just don't know.

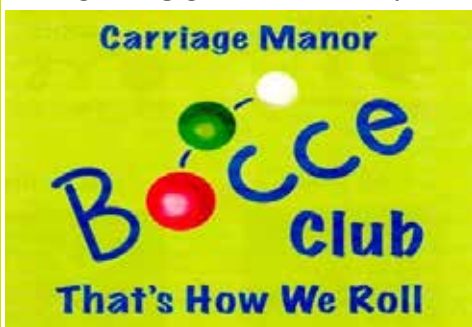

Travel safely everyone, we want to see you all back in the resort soon.

Calvin Dahl, President of The Grub Club

Fun. Food. Friends.

Woodshop Club

Carriage Manor Woodshop Club would like to welcome back everyone interested in wood working. We will be short on numbers to be fully open with monitors and set hours until November. Our first Burger Night will be the first Saturday in December as that gives us time to get organized and the remodeling done for the kitchen. It's not necessary to have experience in wood to join and do a project. Most important is a desire to learn and we will help bring out your creativity. We had many new faces last year and look forward to meeting more for the coming season. Our goal is to have fun and make sawdust.

Oct. 2023

The 2023-2024 Pickleball season has started.

Welcome back to a new season of Fun! Laughter! Exercise! All found on the pickleball courts.

There will be “drop in” social play every day from 8-11 in the mornings. Everyone is invited to come and have a good time. Four of the courts will be for the majority of our players who are in the 3.0/3.5 level. One court for 2.0/2.5 level and one court for the 4.0+ level.

Anyone can play on any court, but realize that as you move up in skill level, the play will be harder and faster. By the same token, if you play on the court with beginners and those with less developed skills, play should be friendly, less competitive and focused on helping others with skill development rather than winning.

Afternoons will have skill level round robin play, “bump up-bump down “games, competitive league play and social get togethers on our new patio!

HEY, PICKLEBALLERS!

Do you know someone who is eager to learn about our great sport? If so, please make them aware of our first of the season, free PICKLEBALL 101 session, to be held on Wednesday, October 25th from 1:00-3:00 pm. The session will be limited to the first 20 people who register. For questions or more information contact Carolyn Bagley at bagley1211@gmail.com.

Mark your calendar - Sat. Dec. 9th – Come Back Buddy band will be performing. This band is back due to popular demand from the residents. Tickets go on sale on Tuesday, Nov. 21st. Ticket sales are held on Tuesdays and Thursdays on the patio and Tuesday Talk coffee hour.

See you on the courts!
